Accounting for Managers Interpreting Accounting

This revised and updated fifth edition of Accounting for Managers builds on the international success of the previous editions in explaining how accounting is used by non-financial managers. Emphasizing the interpretation as opposed to the construction of accounting information, Accounting for Managers encourages a critical rather than unthinking acceptance of accounting techniques.

Accounting for Managers by Paul M Collier ebook

Accounting for Managers explains how accounting information is used by non-financial managers. The book emphasises the interpretation, rather than the construction, of accounting information and encourages a critical, rather than unthinking acceptance, of the underlying assumptions behind accounting. It links theory with practical examples and case studies drawn from real life business situations in service, retail and manufacturing industries.
