By vicariously feeling what others are feeling, we directly come to be motivated by their projects and concerns. Simulation contrasts with more theoretical approaches to psychological attribution that help us understand and explain others, but that do not move us altruistically. This helps us see why we would posit two different folk psychological approaches instead of merely one.

Becoming a Teacher of Presence Bringing Awareness to the

For those who've made it their life's work to help others, this insight is especially powerful. Today, many people in what Eckhart calls -the helping professions--including therapists, counselors, and other caregivers-are eager to incorporate his practical guidance into their work. Becoming a Teacher of Presence invites listeners to an in-depth audio retreat on accessing the source of wisdom and healing beyond the thinking mind.
