The goals of using the model are to help people 'to manage their problems in living more effectively and develop unused opportunities more fully', and to 'help people become better at helping themselves in their everyday lives.' (Egan G., 'The Skilled Helper', 1998, p7-8). Thus there is an emphasis on empowerment. Also the person s own agenda is central, and the model seeks to move the person towards action leading to outcomes which they choose and value.
