It was incredibly important to opening trade with China which was previously very closed off to foreigners due to the Tribute System and the lack of things to trade with them. They were able to turn that around by hooking millions of addicts on the narcotic and almost completely balanced Britain's import deficit. The Opium trade, although destructive, allowed for Britain to maintain its status as the "workshop of the world", therefore fueling the industrial revolution.

Review: The World That Trade Created: Society, Culture, and the World Economy, 1400 to the Present (Sources and Studies in World History) User Review - Zachary Moore - Goodreads. Interesting history of trade told in easy to digest vignettes. Isn't as deep as it might be and some of the vignettes are too short to give you much besides a word picture, but still an informative read if you are interested in the formation of the modern world economy.
